*"To Know Christ and Make Him Known"*

*Beloved,*

PASTOR'S  
MESSAGE

– Pastor Sandy Kolar

**We are about to set out once again  
on the forty-day journey called Lent.**

For almost 173 years, the faithful of St. John's have made the journey of Lent to Easter. While many things have changed over the past 173 years, the focus of Lent has remained constant with its disciplines of prayer, fasting and giving to others. True, folks in the 1840's would have had a more austere life with much less of what we call 'worldly' goods. People also led a slower paced life, focusing on family, church and volunteering in the community. While we would not want to go back to their lifestyle, the disciplines of prayer, fasting and giving to others can be a great gift to us in our day and age. Our lifestyle has become so consumer driven. Many people live at a hectic pace with little or no time to pause and reflect on the meaning of their activities. Lent calls us to slow down, to take time to reflect and to pray and to take a good look at our lives and how we are living them, to become a more generous, open and joyful person.

***Lent isn't an end in itself. Lent helps us to repent and to let go of the things that take us away from living for God. Lent leads to Easter, our true destination, with the joy of knowing that we live for God and that God loves us unto death itself.***

## The Church School

began a new curriculum in the New Year, beginning with Genesis and story of creation. We had some great discussions about free will, and how God helps us to make good decisions in our lives.

We took two weeks off in early February to study what the Bible tells us about love, creating beautiful Valentine's Day wreaths, complete with Bible verses. "Let us not love with words or tongue but with actions and in truth" – 1 John 3:18.

## Church Directory

Updated directories available in Fellowship Hall.

## Bible Study

Continues Saturdays at 10:00am until March 2

Feel free to come any Saturday you are available.

The discussion is on the book of Revelations and has led to some very informative and interesting conversation.

This is a small group setting with all levels of bible knowledge. We welcome you to join us as we grow in the Word of God.

This is a weather permitting event. If your are coming out on a blizzard day please check with the Pastor to see if the study has been canceled. We want everyone to be safe.

## Council's Corner

## February Council Meeting

*The council met Thursday Feb.14th at 7pm. Present were Jared Cooley, Lori Neumann, Rev. Sandra Kolar, and Sue Jacobs. Absent: Gary Hartfelder*

A possible fundraiser at the SanFilippo Estate was discussed. 50 participants would be needed to secure the agreement with the Estate. Ideas for gaining participation interest were discussed.

Complaints regarding sight lines from the cemetery toward the church were brought up and an action plan was developed with a timeline for completion.

Leadership roles for the May flower sale and the September Flea Market were confirmed.

The majority of the time was consumed in a category by category review of the 2018 budget compared to actual expenditures in order to compile a financial framework for 2019. Some categories are to be eliminated and others combined or re-named in order to make the process clearer for all.

The meeting ended approximately 9:15pm.

Tickets will be \$40. – \$30 of each ticket sales goes to St John UCC!

The fundraiser includes a private guided tour by the Foundation Director - Greg Leifel showcasing the collection of automated music machines, the newly built Paris Street with international perfume bottle collection and 1800's General Store.

The world's largest theatre pipe organ will play a selection of music.

The tour continues in the Carousel Pavillion with steam engines, fair ground organs, and the Eden Palais Carousel. Carousel rides will be available for those who are able.

Light refreshments will be provided by the church in the Carousel Pavillion.

At this time all we need is a list of those who would buy tickets to support this event.
